Housed in UL V0 Flame Retardant ABS

Available in Red or White

IP65 Rating (Certified to IP33C)

Overview

Raptor Conventional Sounders are large, weatherproof horn sounders that are suitable for a wide variety of both indoor and outdoor applications. Raptor sounders have 22 user-selectable tones and are available in both red and white.

These sounders are rated IP65, are housed in UL V0 Flame retardant ABS and comply with EN54 Part 3 Type B. They are suitable for surface mounting only. Termination of field wiring is made to the backbox for a clean first fix and has three 20mm cable entries (two on the top and one on the bottom).

Tech Specs
