

 **SNAS**
Reg. No. 010/P-012

EVPÜ[®]

CERTIFICATE No. 00053/101/1/2023
on September 13th, 2023

Certification body of EVPÜ a.s. confirms the compliance of the products with requirements of undermentioned standard.

Product: **Fire detection and fire alarm system**

Type: **Fire detection and fire alarm system with control and indicated equipment PL-1000**

The list of system compatible components: **See Annex No. 1**

Specification: **110/230VAC, 50/60Hz, I_{max} 1.5A**

Client: **Notifier Italia S.r.l.,
Via Grandi, 22, 20097 San Donato Milanese (MI), Italy**

Manufacturer: **Notifier Italia S.r.l.,
Via Grandi, 22, 20097 San Donato Milanese (MI), Italy**

Standard: **EN 54-13: 2017 + A1: 2019**

Results of tests of mentioned products are summarized in Final report on assessment No. **0-0202/23/C** of **September 13th, 2023**.

Validity of certificate
is limited for the period
from: **September 13th, 2023**
until: **September 12th, 2026**

Michal Mišiak

Any significant changes in the design or construction of the products or amendments of the technical decrees reference above may render this Certificate invalid. The product liability rests with the manufacturer or his representative.

EVPÜ a.s., Trenčianska 19, 018 51 Nová Dubnica, Slovak republic, www.evpu.sk
