

## VESDA Detector Replacement Program Project Application Form

### Instructions

1. The Detector Replacement Program offers financial incentives, extended warranty and other benefits to replace aging ASD systems with new product.
2. This form is used to apply for a Project to be registered with Xtralis under the Detector Replacement Program.
3. Fill in the information fields completely to the best of your knowledge. If some information is unknown at this stage (e.g. detector serial number), leave the field blank.
4. Return the completed form to your local Xtralis Regional Manager.
5. Once reviewed and approved, Xtralis will provide written confirmation that the application has been approved, confirming agreed terms.
6. All orders associated with the Project can then be placed. Please include a copy of the written confirmation with each order.
